The lab has 26 computers accommodating 25 students at a time. The sole purpose of this lab is to create employability-skills and advance communicative skills. Instructor, Mrs. Neha, manages the lab with latest update.

Computer lab:- To know the fundamentals of computer education is a prompt need of today's education system which is fulfilled by four fully equipped computer labs with 143 computers and IT lab Commerce with 12 computers, which have been managed with LAN networking and internet connectivity by Department of Computer Science and Commerce.

Contribution of alumni for the year 2023-24

Financial contribution:

1. Dr Sangeeta Mehtani has donated Rs 25000 in the name of her parent in laws as scholarship amount in the form of FD so that interest amount of FD can given to All Round Best Student of College .
2. A sum of Rs 51645 from Mr. Abhishek Rungta an industrialist and father of one of our alumni, for refund of admission fees of 10 needy student from various stream of college was arranged. All those students were invited by Mr Rungta at his office premises and cheque for the same amount was handed over to the needy students.

Academic contribution

1. A series of extension lectures were organised in the department of zoology on wide range of topics for BSc genetics students. Ms. Deepali Verma (student alumnus) was the resource person on the occasion. The extension lectures were given on 10th and 11th October 2023 on various relevant topics that is Transposable genetic elements, Gene mutation, Self incompatibility and Hybridization. Ms. Deepali presented the topics in very interesting and lucid way, addressing different queries by the students. All the students got extremely benefited with her extensive knowledge and engrossing session.
2. A workshop was organized on the topic Practical taxation about how to file income tax return on 31st January 2024 for final year students of b.com general and honours. Ms. Pooja Sharma who is pursuing her CA and presently working with Mr Ayush Gupta, a renowned CA in Sector 8 Panchkula, who has expertise in taxation, provided practical tips and guidance, enriching the students' knowledge on navigating the complexities of income tax returns filing. Approximately 80 students actively participated in this informative session enhanced their knowledge about tax filing process. The interactive nature of workshop allowed students to post queries and see clarification on various aspects of taxation.

Achievements:

1. One of our alumni Kajal daughter of Mr. Vijay Bhan and Ms. Sona Devi has qualified the UGC- NET for eligibility for assistant professor held on 7/12/ 2023 for December 2023 in the subject of Commerce.

Annual Report Session 2023-24 NEP Committee

The National Education Policy was implemented by the institution under the supervision of Kurukshetra University, Kurukshetra in the academic session 2023-24. The policy was aimed with a vision of holistic development of students.

- Faculty members of the institution were trained through a one week faculty development course organized by IGNOU.
- Students are being admitted under the Schemes A, C and D as mentioned in policy.
- The multidisciplinary objective of NEP is successfully achieved by offering a wide range of multidisciplinary Courses.
- Various languages (Hindi/English/Sanskrit) are being opted by the students under the Ability Enhancement Course.
- To increase employability among the students different skill enhancement courses (SEC) related to hands-on training and soft skills are introduced.
- To acquire and demonstrate contemporary Indian knowledge, the Indian Knowledge System is strengthened through various courses (VAC) related to human values, environmental studies, sports fitness, health and yoga education.
